

**REMARKS**

In the Office Action, the Examiner indicated that claims 1 and 2 are pending in the application and the Examiner rejected all claims. By this amendment, applicant has deleted claims 1 and 2. Thus, the rejections in the previous Action are now moot. Applicant has added herein new claims 3-5. These claims focus on the deferred copying of files listed in a requested file set, the support for which is provided in the specification at page 15, lines 15-17, and in Figures 1 and 2. This deferred copying element is not taught or suggested by the prior art.

**Conclusion**

The present invention is not taught or suggested by the prior art. Accordingly, the Examiner is respectfully requested to reconsider and withdraw the rejection of the claims. An early Notice of Allowance is earnestly solicited.

The Commissioner is hereby authorized to charge the fees associated with this communication to Deposit Account No. 09-0461.

Respectfully submitted
